

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CHIEF HEARING OFFICER DIRECTIVE

DOCKET NO. 2014-346-WS ORDER NO. 2021-115-H

SEPTEMBER 14, 2021

CHIEF HEARING OFFICER: David Butler

DOCKET DESCRIPTION:

Application of Daufuskie Island Utility Company, Incorporated for Approval of an Increase for Water and Sewer Rates, Terms and Conditions

MATTER UNDER CONSIDERATION:

Request for Extension of Proposed Order Due Date

CHIEF HEARING OFFICER'S ACTION:

Commission Order No. 2021-581 set Wednesday, September 15, 2021 as the due date for filing of the parties' proposed orders on the reparations and related issues in this case. Counsel for Daufuskie Island Utilities seeks a one-week extension for the parties to submit their proposed orders, which would extend the due date for said Orders until September 22, 2021.

According to said Counsel, Daufuskie Island Utilities and the POA Intervenors consent to the request, and the Office of Regulatory Staff does not object to the request. For these reasons, the request is granted, and the new deadline for filing of Proposed Orders is extended until September 22, 2021. This ends the Chief Hearing Officer's Directive.
